MEETING DATE: July 7, 2004

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the following resolutions and additionally adopt resolutions authorizing the City Manager to execute Professional Services Agreement Task Order 1 with Timothy J. Hachman, Attorney at Law, and Professional Services Agreement Task Order 2 with Thompson-Hysell Engineers, a Division of The Keith Companies, Inc., for services required in support of the annexation:

1. Resolution of Preliminary Determination to Annex Territory to a Maintenance Assessment District, to Form a Zone, to Levy an Annual Assessment for Costs Incurred and Preliminary Approval of Engineer's Report for Legacy Estates I, Legacy Estates II, and Kirst Estates Zone 5 and The Villas Zone 6, Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1.
2. Resolution of Intention to Annex Territory to a Maintenance Assessment District, to Form a Zone, to Levy and Collect an Annual Assessment for Maintenance and Operation of Improvements and for Costs and Expenses and Setting Time and Place of Public Hearing and Setting Forth Mailed Property Owner Ballot Procedure and Notice for Legacy Estates I, Legacy Estates II, and Kirst Estates Zone 5 and The Villas Zone 6, Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1.

BACKGROUND INFORMATION: Developers of the Legacy Estates I, Legacy Estates II, Kirst Estates, and The Villas subdivisions have elected to form assessment districts pursuant to the Landscaping and Lighting Act of 1972 for the purpose of installing and/or maintaining the public improvements described in Exhibit 1. Legacy Estates I, Legacy Estates II, and Kirst Estates Zone 5 consists of 223 lots. The Villas Zone 6 consists of 80 lots. The total number of lots in the two zones to be included in the proposed assessment district is 303. The locations of Zones 5 and 6 are presented in Exhibit 2.

The parcels for 2025 and 2031 West Harney Lane are not included in Zone 5 because they are existing single-family residences that will probably remain in their current single-family residential use for many years.

The action requested of the City Council will initiate the steps leading to formation of the districts and preliminarily approve the Engineer's Report. Additionally, the City Council will set a public hearing for

September 1, 2004, to hear public testimony on the formation and proposed assessments and to finally act to form the district.

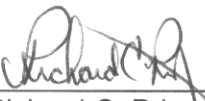

The Engineer's Report, prepared by Thompson-Hysell Engineers, a division of The Keith Companies, Inc., of Modesto, California, is attached as Exhibit 3. It presents a description of the project, defines the area, describes the improvements to be maintained and provides a cost estimate of the First Year Estimated Assessment and sets the Maximum Annual Assessment amount. The annual assessment includes costs for maintaining the improvements, utilities, replacement reserves, and administration of the district. Three principal maintenance activities are covered by the district, including the reverse frontage wall and landscaping along Harney Lane and Mills Avenue, the street trees within the parkway areas of the subdivisions and a prorated share of public park maintenance.

Presently, the Legacy Estates I, Legacy Estates II, and Kirst Estates (Zone 5) subdivisions are comprised of four parcels that are expected to subdivide subsequent to the formation of the assessment district. Zone 5 will contain approximately 223 lots and will have a proposed assessment roll as set forth in Exhibit 3. The Villas (Zone 6) subdivision is comprised of a single parcel that is expected to subdivide subsequent to the formation of the assessment district into 80 lots and will have a proposed assessment roll as set forth in Exhibit 3.

Election ballots will be distributed to the owners of record as of the date of ballot preparation. Voting is based upon acres and simple majority vote is required to form the district. It is expected that none of the lots will be sold to individual homeowners prior to formation of the district on September 1, 2004.

The First Year Assessment will be added to the tax roll for Fiscal Year 2005/06 and the first revenues from the district will not be received until January 2006. Until the City receives funds from the district, the developer remains responsible for the regular and ongoing maintenance of the public wall, landscape, and parkway tree improvements. This requirement has been addressed in the Subdivision Improvement Agreements.

FUNDING: Applicant fees and reimbursement from funds collected through the assessment district.

The Honorable Mayor and
City Council of The City of
Lodi, CA

To Whom It May Concern:

This report is prepared pursuant to and in compliance with the requirements of the “Landscaping and Lighting Act of 1972,” as amended, commencing with the Streets and Highways code sections 22500, et seq. for the creation of two new zones (Legacy Estates I, Legacy Estates II, and Kirst Estates, Zone 5, and The Villas, Zone 6) in the Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1.

BACKGROUND

Zone 5 consists of a 77-lot residential development (Legacy Estates I), a 140-lot residential development (Legacy Estates II), and a 6-lot residential development (Kirst Estates) located in the southwestern portion of the City of Lodi. The Legacy Estates developments are being pursued by Frontiers Community Builders, and Kirst Estates is being pursued by Tokay Development. Zone 6 consists of an 80-lot residential development, located in the southeastern portion of the City of Lodi. This development is being pursued by KB Home. This report is relative to the proposed Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6, Landscape Maintenance Districts of the City of Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1 which provides annual funds for the maintenance of various public landscape improvements.

PHASED DEVELOPMENT

The Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 developments are currently anticipated to be constructed in a single phase. Annually, the additional public amenity improvements and the additional developed areas, if any, shall be identified. The costs of the maintenance of the new improvements, if any, shall be added to and included in the next annual landscape maintenance budget. These amounts for the additional improvements were accounted for in determining the maximum annual assessment (see Exhibit A). The Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 projects, when completed, will include 223 and 80 dueF’s, respectively.

ASSESSMENT DISTRICT AREA

The areas of Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6, are described as all of the property within the following assessor’s parcels identified by assessor’s number (APN):

<u>Zone</u>	<u>Book</u>	<u>Page</u>	<u>Parcel</u>
5	058	230	13, 17 (portion), 22, 25
6	062	290	17

A boundary map for Legacy Estates I and II and Kirst Estates, Zone 5, is attached to this Engineer's Report as Exhibit B. The assessment diagrams are attached as Exhibit C. Sheet 1 of the assessment diagrams is a simple overall boundary map. Sheet 2 is the County Assessor's map and is incorporated in, and made a part of, the assessment diagram.

A boundary map for The Villas, Zone 6, is attached to this Engineer's Report as Exhibit D. The assessment diagrams are attached as Exhibit E. Again, Sheet 1 of the assessment diagrams is a simple overall boundary map. Sheet 2 is the County Assessor's map and is incorporated in, and made a part of, the assessment diagram.

PLANS AND SPECIFICATIONS

As this project is developed, plans and specifications for the amenity improvements to be maintained by the funds generated by the Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 Landscape Maintenance Districts shall be filed with the City of Lodi and will be incorporated into this report by reference.

DESCRIPTION OF AREAS TO BE MAINTAINED

The Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 Landscape Maintenance Districts are created to provide funding for the continued maintenance of the public areas which are described below. During the installation period for each phase, the installer of the improvements will maintain the new improvements until the following June 30, or until such time as funds are available for maintenance, at which time the new areas shall be incorporated into the areas already being maintained by the District.

ALLOCATION OF COSTS

Assessments for Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 Landscape Maintenance Districts are apportioned in a manner intended to fairly distribute the amounts among all assessable developed parcels in proportion to the estimated benefits to be received by each such parcel. A parcel is considered as being developed by reason of having been included as a lot or parcel in Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 recorded Final Maps or being included within the active developed area in the case of an existing parcel. The criteria for apportioning the costs for the maintenance makes use of a dwelling unit equivalent Factor (dueF) to calculate the benefit for all uses in terms of equivalent dwelling units. The terms, definitions, and procedures followed to develop the annual assessments are as follows:

1. Dwelling Unit Equivalent Factor (dueF)

The dueF for each use is as follows:

A. Single-Family Residential

All parcels determined to be developed for single-family use shall have a dueF of 1.0 for each parcel. One parcel has been designated for duplex use. This parcel will be assigned a dueF of 2.0.

B. Multiple-Family Residential

All parcels determined to be developed for multiple-family residential, other than duplex or triplex uses, shall have a dueF of 5.0 per acre for each parcel, in general representative of the approximate single-family yield if the area were developed for that use.

C. Commercial/Office

All parcels determined to be developed for commercial or office use shall have the dueF factor calculated as follows:

5 dueF per acre for the first 7.5 acres

2.5 dueF per acre for the next 7.5 acres

1.25 dueF per acre for all acreage over 15 acres.

D. Other Uses

All parcels determined to have uses other than identified above shall have a dueF established at the time of the first annual budget affecting such areas as determined by the Engineer or other officer appointed by the City of Lodi to prepare the annual cost spread. The determined dueF shall follow the character of the factors assigned above as nearly as practicable, but the determination shall be the sole responsibility of the appointed party and the City of Lodi.

E. Zero Dwelling Unit Equivalent Factor (dueF)

Certain parcels, by reason of use, size, shape, or state of development, may be assigned a zero dueF which will consequently result in a zero assessment for that fiscal year. All parcels having such a zero dueF for the previous fiscal year shall

annually be reconsidered to determine if the reason for assigning the zero dueF is still valid for the next fiscal year. Parcels which may be expected to have a zero dueF assigned are typically parcels which are all, or nearly all, publicly landscaped, parcels in public ownership, parcels owned by a public utility company and/or used for public utilities, public parks, public schools, and remainder parcels too small or narrow for reasonable residential or commercial use, unless actually in use.

1. Area Adjustments

Parcels which have an assessment determined by area and which have a portion of the parcel occupied by public or public utility uses separate from the entitled use and located in easements, prior to the multiplication by the dueF, shall have the area of the parcel adjusted to a usable area to reflect the loss or partial loss of the entitled use in those areas. This reduction shall not apply for normal peripheral and interior lot line public utility easements generally existing over the whole subdivision.

2. Compilation

Annually, about May 15, following the determination of the dwelling unit equivalent Factor (dueF) for all developed parcels and the determination of the list of developed parcels by APN for the next fiscal year, all single-family or duplex/triplex residential parcels shall have a dwelling unit equivalent (due) assigned to each parcel equal to the dueF for that parcel. For all parcels other than single-family or duplex/triplex residential parcels, the product of the dueF times the area or adjusted usable area of the parcel, as appropriate, shall be calculated and shall be the due assigned. For developed parcels, the sum of the due assigned to each single-family due for each other parcel shall equal the total due for the next fiscal year. The total amount of revenue required for the next fiscal year shall then be divided by the total due to calculate the assessment per due for the next fiscal year. Parcels defined as not developed for the purposes of determining the landscape maintenance assessments will all have a zero dueF and consequently a zero due and a zero assessment.

3. Allocation of Assessments

The assessment for wall maintenance for the next fiscal year shall then be set for each parcel as the product of the calculated dwelling unit equivalent (due) for each parcel, multiplied by the assessment per due for the next fiscal year.

METHOD OF ASSESSMENT SPREAD

In compliance with the provisions of Proposition 218, adding Article XIII D to the California Constitution, the benefits conferred on each parcel within the Lodi Consolidated Landscape Maintenance District No. 2003-1 are particular and distinct benefits (hereinafter "special benefits") over and above general benefits conferred on such property or to the public at large, in that the individual letter-designated zones in the District each represents a common unit to provide landscape, park, and related amenity maintenance, and monitored irrigation for the development of the property within the individual letter-designated zones in the District generally for residential and related urban uses. Benefits are determined to be 100% special benefits and 0% general benefits. Also, in keeping with the requirements of Proposition 218, no annual individual assessments shall be

increased above the amounts assessed under the established criteria for each zone for the preceding fiscal year without an election approval.

The base objective of the assessment spread is to distribute costs in accordance with the benefits received. Costs will be spread equally to each residential lot as follows:

1. Zone 5: Lots 1-77 in Legacy Estates I, lots 1-140 in Legacy Estates II, and lots 1-6 in Kirst Estates shall be assessed equally for the estimated costs of maintenance for the fiscal year 2005-2006.
2. Zone 6: Lots 1-80 in The Villas shall be assessed equally for the estimated costs of maintenance for the fiscal year 2005-2006.

ANNUAL ESCALATION

The maximum assessment amount for each fiscal year shall be increased in an amount equal to the greater of: 1) five percent (5.0%), or 2) the percentage increase of the Local Consumer Price Index (CPI). Consumer Price Index applied is for the San Francisco-Oakland-San Jose County Area for All Urban Consumers, as developed by the U.S. Bureau of Labor Statistics for a similar period of time.

ADMINISTRATION

It is intended that the City of Lodi, either directly or by subcontract, shall have the responsibility to establish an ongoing Landscape Maintenance Management entity to be known as the Landscape Maintenance District Manager which shall be responsible to establish the annual budget, keep an accounting of the maintenance and operational administrative costs, administer and perform the landscape maintenance either directly or by subcontract, pay all fees, utility costs, taxes, and any and all other operating costs.

ESTIMATE OF COSTS

The location and size of a park serving these subdivisions has not yet been determined. The estimated costs are for public amenity maintenance only. All improvements will be installed at no cost to the Landscape Maintenance Assessment District. The assessment will not be levied until needed, upon development and City acceptance of the improvements.

Items considered in the maintenance cost include, but are not limited to: Water for plants and trees, weeding, pruning, mowing, replacement of plants and trees that may die, maintenance of pavement and sidewalks, and maintaining and replacing all sprinkler lines and heads.

The annual costs estimated to be collected with the 2005-2006 taxes for the developed areas are as follows:

NOW, THEREFORE, BE IT RESOLVED by the Lodi City Council that:

1. The City Council proposes to annex territories to an existing assessment district, to form two zones, and to levy and collect assessments pursuant to the Landscaping and Lighting Act of 1972 (Streets & Highways Code, Section 22500, et seq.) (the "Act").
2. The improvements to be installed and/or maintained in the territories to be annexed are generally described in Exhibit A (Legacy Estates I, Legacy Estates II, and Kirst Estates) and Exhibit B (The Villas) attached hereto and incorporated herein as though set out in full.
3. The territories to be annexed shall be known as follows:
 - A. Legacy Estates I, Legacy Estates II, and Kirst Estates Zone 5, Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1 (Landscaping and Lighting Act of 1972), City of Lodi, San Joaquin County, California. The territories to be annexed, Legacy Estates I, Legacy Estates II, and Kirst Estates, are residential areas comprising approximately 223 lots in all, west of Mills Avenue, north of Harney Lane, east of Lower Sacramento Road, and south of Century Boulevard in the City of Lodi, California.
 - B. The Villas Zone 6, Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1 (Landscaping and Lighting Act of 1972), City of Lodi, San Joaquin County, California. The territory to be annexed, The Villas, is a residential area comprising approximately 80 lots, south of Schaeffer Drive, west of Cherokee Lane, and north of Harney Lane in the City of Lodi, California.

4. In accordance with the City Council's resolution initiating proceedings, Thompson-Hysell Engineering, a division of The Keith Companies, Inc., of Modesto, California, designated engineer, has filed with the City Clerk the Report required by Section 22585 of the Act, which Report has been preliminarily approved by this Council. All interested persons are referred to that Report for a full and detailed description of the improvements, the zones to be formed, the proposed assessments upon assessable lots and parcels of land within the territories proposed to be annexed and the proposed budgets for fiscal year 2004-05, the estimated cost of annual operation and maintenance of the improvements, and the maximum annual assessment.

5. On Wednesday, September 1, 2004, at the hour of 7:00 p.m., or as soon thereafter as possible, at the regular meeting place of the Lodi City Council, Carnegie Forum, 305 West Pine Street, Lodi, California, the City Council will conduct a public hearing, at which the Council will hear and consider any objections and protests respecting (a) whether the public interest and convenience require the improvements and/or maintenance thereof, (b) the extent of the territories to be annexed and the formation of Zones 5 and 6, (c) the estimated costs and expenses of the project, (d) the amounts of the assessments proposed to be levied upon the benefited parcels, and (e) the method or formula by which benefit has been estimated and any other aspect of the proposed annexation of territories and the formation of Zone 5 and 6, to which any interested person may want to object or protest. The City Clerk shall tabulate the assessment ballots received and report the same to the City Council.

6. The proposed boundaries of the proposed territories to be annexed are hereby described as shown on a map thereof on file in the office of the City Clerk (the "Amended Boundary Map"), which indicates by a boundary line the extent of the territories to be included in the proposed annexation and which Amended Boundary Map shall govern for all details for further purposes of the proceedings for the annexations and to which reference is hereby made for further particulars. This Council approves the map and adopts the boundaries shown on the map as describing the extent of the territories included in the proposed annexations and finds that the map is in the form and contains the matters prescribed by Section 3113 of the California Streets and Highways Code. This Council directs the City Clerk to certify the adoption of this resolution on the face of the map, and to record, or cause to be recorded, said map of the boundaries of the territories proposed to be annexed in the office of the County Recorder within ten days of the date of the adoption of this Resolution.

7. Notice is further given that Wally Sandelin of the Public Works Department, Telephone (209) 333-6709, is the person and the department designated by this Council to answer inquiries regarding the protest proceedings.

8. The City Clerk is hereby authorized and directed to cause notice of the hearings ordered under Section 5 hereof to be given by mailing, postage prepaid, in the United States mail, and such notice shall be deemed to have been given when so deposited in such mail. The envelope or cover of the mailing shall include the name of the City and the return address of the City Clerk as the sender. The mailed notice shall be given to all property owners within the territories to be annexed as shown in the Engineer's Report by such mailing by name to those persons whose name and addresses appear on the last equalized assessment roll of the County of San Joaquin or the State Board of Equalization assessment roll, as the case may be. The notice shall include, but not be limited to, the total amount of the assessment proposed to be levied in the territories proposed to be annexed, the assessment proposed for the owner's

particular parcel(s) and the duration thereof, the reason for the assessment and the basis upon which the amount of the assessment was calculated. Each notice shall also contain an assessment ballot, a summary of the procedures applicable to the completion, return and tabulation of assessment ballots and a statement that the existence of a majority protest will result in the assessment not being imposed. The Honorable Mayor and
City Council of The City of
Lodi, CA

To Whom It May Concern:

This report is prepared pursuant to and in compliance with the requirements of the "Landscaping and Lighting Act of 1972," as amended, commencing with the Streets and Highways code sections 22500, et seq. for the creation of two new zones (Legacy Estates I, Legacy Estates II, and Kirst Estates, Zone 5, and The Villas, Zone 6) in the Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1.

BACKGROUND

Zone 5 consists of a 77-lot residential development (Legacy Estates I), a 140-lot residential development (Legacy Estates II), and a 6-lot residential development (Kirst Estates) located in the southwestern portion of the City of Lodi. The Legacy Estates developments are being pursued by Frontiers Community Builders, and Kirst Estates is being pursued by Tokay Development. Zone 6 consists of an 80-lot residential development, located in the southeastern portion of the City of Lodi. This development is being pursued by KB Home. This report is relative to the proposed Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6, Landscape Maintenance Districts of the City of Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1 which provides annual funds for the maintenance of various public landscape improvements.

PHASED DEVELOPMENT

The Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 developments are currently anticipated to be constructed in a single phase. Annually, the additional public amenity improvements and the additional developed areas, if any, shall be identified. The costs of the maintenance of the new improvements, if any, shall be added to and included in the next annual landscape maintenance budget. These amounts for the additional improvements were accounted for in determining the maximum annual assessment (see Exhibit A). The Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 projects, when completed, will include 223 and 80 dueF's, respectively.

ASSESSMENT DISTRICT AREA

The areas of Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6, are described as all of the property within the following assessor's parcels identified by assessor's number (APN):

<u>Zone</u>	<u>Book</u>	<u>Page</u>	<u>Parcel</u>
5	058	230	13, 17 (portion), 22, 25
6	062	290	17

A boundary map for Legacy Estates I and II and Kirst Estates, Zone 5, is attached to this Engineer's Report as Exhibit B. The assessment diagrams are attached as Exhibit C. Sheet 1 of the assessment diagrams is a simple overall boundary map. Sheet 2 is the County Assessor's map and is incorporated in, and made a part of, the assessment diagram.

A boundary map for The Villas, Zone 6, is attached to this Engineer's Report as Exhibit D. The assessment diagrams are attached as Exhibit E. Again, Sheet 1 of the assessment diagrams is a simple overall boundary map. Sheet 2 is the County Assessor's map and is incorporated in, and made a part of, the assessment diagram.

PLANS AND SPECIFICATIONS

As this project is developed, plans and specifications for the amenity improvements to be maintained by the funds generated by the Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 Landscape Maintenance Districts shall be filed with the City of Lodi and will be incorporated into this report by reference.

DESCRIPTION OF AREAS TO BE MAINTAINED

The Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 Landscape Maintenance Districts are created to provide funding for the continued maintenance of the public areas which are described below. ALLOCATION OF COSTS

Assessments for Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 Landscape Maintenance Districts are apportioned in a manner intended to fairly distribute the amounts among all assessable developed parcels in proportion to the estimated benefits to be received by each such parcel. A parcel is considered as being developed by reason of having been included as a lot or parcel in Legacy Estates I and II and Kirst Estates, Zone 5, and The Villas, Zone 6 recorded Final Maps or being included within the active developed area in the case of an existing parcel. The criteria for apportioning the costs for the maintenance makes use of a dwelling unit equivalent Factor (dueF) to calculate the benefit for all uses in terms of equivalent dwelling units. The terms, definitions, and procedures followed to develop the annual assessments are as follows:

1. Dwelling Unit Equivalent Factor (dueF)

The dueF for each use is as follows:

A. Single-Family Residential

All parcels determined to be developed for single-family use shall have a dueF of 1.0 for each parcel. One parcel has been designated for duplex use. This parcel will be assigned a dueF of 2.0.

B. Multiple-Family Residential

All parcels determined to be developed for multiple-family residential, other than duplex or triplex uses, shall have a dueF of 5.0 per acre for each parcel, in general representative of the approximate single-family yield if the area were developed for that use.

C. Commercial/Office

All parcels determined to be developed for commercial or office use shall have the dueF factor calculated as follows:

5 dueF per acre for the first 7.5 acres
2.5 dueF per acre for the next 7.5 acres
1.25 dueF per acre for all acreage over 15 acres.

D. Other Uses

All parcels determined to have uses other than identified above shall have a dueF established at the time of the first annual budget affecting such areas as determined by the Engineer or other officer appointed by the City of Lodi to prepare the annual cost spread. The determined dueF shall follow the character of the factors assigned above as nearly as practicable, but the determination shall be the sole responsibility of the appointed party and the City of Lodi.

E. Zero Dwelling Unit Equivalent Factor (dueF)

Certain parcels, by reason of use, size, shape, or state of development, may be assigned a zero dueF which will consequently result in a zero assessment for that fiscal year. All parcels having such a zero dueF for the previous fiscal year shall

annually be reconsidered to determine if the reason for assigning the zero dueF is still valid for the next fiscal year. Parcels which may be expected to have a zero dueF assigned are typically parcels which are all, or nearly all, publicly landscaped, parcels in public ownership, parcels owned by a public utility company and/or used for public utilities, public parks, public schools, and remainder parcels too small or narrow for reasonable residential or commercial use, unless actually in use.

1. Area Adjustments

Parcels which have an assessment determined by area and which have a portion of the parcel occupied by public or public utility uses separate from the entitled use and located in easements, prior to the multiplication by the dueF, shall have the area of the parcel adjusted to a usable area to reflect the loss or partial loss of the entitled use in those areas. This reduction shall not apply for normal peripheral and interior lot line public utility easements generally existing over the whole subdivision.

2. Compilation

Annually, about May 15, following the determination of the dwelling unit equivalent Factor (dueF) for all developed parcels and the determination of the list of developed parcels by APN for the next fiscal year, all single-family or duplex/triplex residential parcels shall have a dwelling unit equivalent (due) assigned to each parcel equal to the dueF for that parcel. For all parcels other than single-family or duplex/triplex residential parcels, the product of the dueF times the area or adjusted usable area of the parcel, as appropriate, shall be calculated and shall be the due assigned. For developed parcels, the sum of the due assigned to each single-family due for each other parcel shall equal the total due for the next fiscal year. The total amount of revenue required for the next fiscal year shall then be divided by the total due to calculate the assessment per due for the next fiscal year. Parcels defined as not developed for the purposes of determining the landscape maintenance assessments will all have a zero dueF and consequently a zero due and a zero assessment.

3. Allocation of Assessments

The assessment for wall maintenance for the next fiscal year shall then be set for each parcel as the product of the calculated dwelling unit equivalent (due) for each parcel, multiplied by the assessment per due for the next fiscal year.

METHOD OF ASSESSMENT SPREAD

In compliance with the provisions of Proposition 218, adding Article XIII D to the California Constitution, the benefits conferred on each parcel within the Lodi Consolidated Landscape Maintenance District No. 2003-1 are particular and distinct benefits (hereinafter "special benefits") over and above general benefits conferred on such property or to the public at large, in that the individual letter-designated zones in the District each represents a common unit to provide landscape, park, and related amenity maintenance, and monitored irrigation for the development of the property within the individual letter-designated zones in the District generally for residential and related urban uses. Benefits are determined to be 100% special benefits and 0% general benefits. Also, in keeping with the requirements of Proposition 218, no annual individual assessments shall be

increased above the amounts assessed under the established criteria for each zone for the preceding fiscal year without an election approval.

The base objective of the assessment spread is to distribute costs in accordance with the benefits received. Costs will be spread equally to each residential lot as follows:

1. Zone 5: Lots 1-77 in Legacy Estates I, lots 1-140 in Legacy Estates II, and lots 1-6 in Kirst Estates shall be assessed equally for the estimated costs of maintenance for the fiscal year 2005-2006.
2. Zone 6: Lots 1-80 in The Villas shall be assessed equally for the estimated costs of maintenance for the fiscal year 2005-2006.

ANNUAL ESCALATION

The maximum assessment amount for each fiscal year shall be increased in an amount equal to the greater of: 1) five percent (5.0%), or 2) the percentage increase of the Local Consumer Price Index (CPI). Consumer Price Index applied is for the San Francisco-Oakland-San Jose County Area for All Urban Consumers, as developed by the U.S. Bureau of Labor Statistics for a similar period of time.

ADMINISTRATION

It is intended that the City of Lodi, either directly or by subcontract, shall have the responsibility to establish an ongoing Landscape Maintenance Management entity to be known as the Landscape Maintenance District Manager which shall be responsible to establish the annual budget, keep an accounting of the maintenance and operational administrative costs, administer and perform the landscape maintenance either directly or by subcontract, pay all fees, utility costs, taxes, and any and all other operating costs.

ESTIMATE OF COSTS

The location and size of a park serving these subdivisions has not yet been determined. The estimated costs are for public amenity maintenance only. All improvements will be installed at no cost to the Landscape Maintenance Assessment District. The assessment will not be levied until needed, upon development and City acceptance of the improvements.

Items considered in the maintenance cost include, but are not limited to: Water for plants and trees, weeding, pruning, mowing, replacement of plants and trees that may die, maintenance of pavement and sidewalks, and maintaining and replacing all sprinkler lines and heads.

The annual costs estimated to be collected with the 2005-2006 taxes for the developed areas are as follows:

ZONE 5

<u>OPERATION COSTS</u>	<u>FY 2005-06 ESTIMATED ASSESSMENT</u>	<u>FY 2005-06 MAXIMUM ASSESSMENT</u>
